PETITION UNDER 37 C.F.R. § 1.47(a)

**COPY OF PAPERS
ORIGINALLY FILED**

Dear Sir:

This petition is to respectfully request that the inventors declaration be accepted for filing without the signatures of inventors Rohan Coelho and Maher M. Hawash. Mr. Coelho has not responded to our various correspondence. (See attached Declarations of Gregg A. Peacock and Virginia Velazquez.) Mr. Hawash has refused to sign the declaration. (See Declaration of Gregg A. Peacock.) The fee for filing this petition as set forth in C.F.R. § 1.17(h) is included herewith.

The Commissioner is authorized to charge any insufficiency or credit any overpayment to Deposit Account No. 02-2666.

Respectfully submitted

DECLARATION OF GREGG A. PEACOCK

I, Gregg A. Peacock, having personal knowledge of the facts set forth herein, hereby declare and say as follows:

1. On September 27, 2001, the above referenced patent application was filed with the United States Patent and Trademark Office. The named inventors in the application are Michael J. Payne, Rohan Coelho, and Maher M. Hawash. Inventors Maher M. Hawash and Rohan Coelho are previous employees of Intel Corporation. Subsequent to the filing, each of these inventors was sent a copy of the application, and a Declaration and Power of Attorney for the above referenced patent application, for their execution.

2. Mr. Hawash has refused to sign the Declaration as shown in an email dated November 28, 2001 (Exhibit 1).

3. With regard to Mr. Coelho, the application, Declaration and Power of Attorney were sent to the address provided by Mr. Coelho, which is shown by Exhibit 1 for the Declaration of Virginia Velazquez. Mr. Coelho has not returned an executed

Declaration even after several written requests as shown by the Declaration of Virginia Velazquez.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dear Gregg:

I just received the patent application that you sent, requesting my signature. As I have mentioned to you many times, that I am not willing to sign an application without reading its content. And since I don't work for Intel anymore, I am not interested in spending my time for Intel without pay. If Intel wants me to review the application and sign it, I'll be happy to do that for a fee.

Regards,

Maher Hawash

DECLARATION OF VIRGINIA VELAZQUEZ

I, Virginia Velazquez, having personal knowledge of the facts set forth herein, hereby declare and say as follows:

1. I am employed by BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN, as a Legal Secretary. My supervisor is Gregg A. Peacock.

2. On November 5, 2001, I emailed Mr. Rohan Coelho and requested his home address for purposes of preparing a Declaration pursuant to 37 C.F.R. § 1.63. He replied on the same date with his address (Exhibit 1).

3. At Mr. Peacock's request, I sent a letter on November 6, 2001 to Mr. Rohan Coelho enclosing a copy of the filed application together with a Declaration pursuant to 37 C.F.R. § 1.63 for his signature via Federal Express Priority Overnight (Exhibit 2). Also included with this correspondence was a self-addressed, prepaid Federal Express envelope to facilitate the return of the executed documents to Mr. Peacock.

4. When there was no response to said correspondence, at Mr. Peacock's request, I sent another letter on November 19, 2001 to Mr. Rohan Coelho enclosing a

copy of the filed application together with a Declaration pursuant to 37 C.F.R. § 1.63 for his signature via Certified Mail Return Receipt Requested (Exhibit 3). Also included with this correspondence was a self-addressed, postage-prepaid envelope to facilitate the return of the executed documents to Mr. Peacock.

5. Subsequently, we received the Return Receipt showing receipt of our correspondence dated November 19, 2001 by Mr. Coelho (Exhibit 4).

6. On December 3, 2001, at Mr. Peacock's request, I sent another letter to Mr. Rohan Coelho enclosing a copy of the filed application together with a Declaration pursuant to 37 C.F.R. § 1.63 for his signature via Certified Mail Return Receipt Requested (Exhibit 5). Also included with this correspondence was a self-addressed, postage-prepaid envelope to facilitate the return of the executed documents to Mr. Peacock.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

BSTZ Docket No.: 042390.P12155

Dear Mr. Coelho:

Enclosed please find a copy of the above-referenced patent application and drawings as filed in the U.S. Patent Office on September 27, 2001. Also enclosed please find the Declaration and Assignment documents for your signature. If you find that minor corrections need to be made to the Assignment or Declaration, please initial said corrections. Return the fully executed originals in the enclosed Federal Express envelope.

Also, at the request of the Intel Legal Department, each inventor is required to complete the enclosed Customer Feedback Questionnaire based on their experience with our firm. The questionnaire is to be returned directly to the attention of Janice Boulden, at Intel Folsom, JF3-147.

Please keep in mind that you have a continuing duty to disclose to the Patent and Trademark Office information you are aware of that is material to the examination of the patent application. Such information is material when there is a substantial likelihood that a reasonable patent examiner would consider it important in deciding whether to allow the application to issue as a patent. If you know of any information meeting this description, please forward a copy to me.
